

Forward with dementia

A guide to living with dementia

Upcoming Webinar

The Forward with Dementia project presents a 30-minute webinar on the topic of "**Living well with Dementia**".

Presenters include **Catherine Ann Kelly** and **Sherry Gionet**. Catherine is a care partner to her mother and a passionate advocate. Sherry Gionet will share insights from her perspective as a geriatric resource nurse.

There will be time for discussion following the presentations.

When is the webinar?

The webinar will be held in **English** at 2:00pm AST on **February 28, 2022**.

French captions will be made available on the recording and will be available to view on our website later.

- **Registration is free for anyone interested.** [Please register here.](#)
