Meeting Called to Order- 6:00 pm

The February committee report was reviewed and we discussed how grateful we are to the Upper Kingsclear Fire Dept. who assisted the CAO to open the centre to use as a warming station the weekend of Feb 4th.

We tested our Sentinel Alert System, and it was very successful:

- 671 out of 671 emails sent successfully.
- 639 out of 639 text messages sent successfully.
- 533 out of 612 phone calls sent successfully.
 - 18 phone numbers are registered as DO NO CALL
 - 27 phone numbers were business contacts, most likely it was due to being after hours as the system tried 4 times.
 - The remaining 34 will be cross checked with other emails/cell phones etc. to ensure that they are receiving some form of notification and then the residents will be contacted to update their information.
- It was suggested that during Fire Prevention training at the Hanwell Park Academy and the Kingsclear Consolidated School that the committee send home a paper with the students from the Hanwell area.

Our EMO Planning Items & Activities was reviewed, and members will decide which tasks they are interested in spearheading.

Jason Vallis will be offering some refresher training in April/May that we took when we joined the committee; for some of us it has been over 5 years since we took the courses so a refresher will be beneficial to us all.

Our meeting for March 22 has been cancelled, the next meeting is scheduled for April 26th at 6pm.

Respectfully Submitted,

Terri L Parker
CAO/Treasurer
