

COMMITTEE REPORT

GOVERNANCE & POLICIES

DATE: June 9, 2023

The governance and policy committee had two working sessions with council as a whole: April 27th and May 10th.

The governance and policy committee also met on May 8th.

The committee meeting and working sessions worked on the following policies and by-laws: committee policy, procedural by-law, code of conduct by-law, and conflict and resolution procedure policy.

Feedback from the working sessions was given via email, with these updates sent to council and posted on the Rural Community of Hanwell website. The recommendations from the committee and working sessions will be sent to the regular meeting of Council in June.

Yours respectfully,

Councillor Darren MacKenzie
Chair
