The meeting was called to order at 6:10 and the committee started right in with discussing amendments to the Emergency Plan. Lots of headway was made. Chris will take the recommendations and continue revising. The Clerk will bring By-Law 05-2014, "A By-Law to Establish a Community Emergency Plan" to the governance committee with suggestions to make the By-Law and the Plan in sync. Once the revisions to the plan are completed we will forward the plan off to Dan Dekleva for his thoughts and suggestions.

Next meeting will be August 23 at 6:00pm.
