#### **3:30-10:30 p.m. - Concert**

Councillor Fox designed some tickets so that we can sell them here at the office. Tianna printed them off and cut them up and they are ready to go. We have made a post and will start selling them on Monday between 8 and 4. It was also decided to provide some comp tickets to our sponsors. Councillor Dekleva took a couple to O’Hickey’s where they will use them as a giveaway.

I am waiting on a quote from JR Guthrie for bussing. They have school bus rentals. He will get back to me with what he thinks is the best way to go. He was excited to do this as he hasn’t done this kind of event either. My suggestion is \$10 per person per ride. It will get them to a drop off spot in Hanwell, uptown and downtown Freddy.

We received the ok for the fire marshall and we received the liquor license.

The banners are in and look great!

Johnny’s Ice called can provide ice 150 bags for \$3 a bag (its 4-5 elsewhere) plus if we have power they will bring a freezer trailer and leave it there for the duration. If we don’t have power access they will bring a trailer and a generator as well as someone to sit with it for an extra \$50.
